

WAGERS MAY SPECIALS

As we are heavily stocked with the very best showing of merchandise of all kinds, we have ever offered for sale and with the main motive in view, first to move the goods out and to show the public that we are on the job with an excellent showing of quality merchandise at prices below market value today. Not even the mail order houses of the country will offer you quality merchandise at prices more appealing than we offer. We do not ask you to send payment and await our convenience to send your order which in many cases are a misfit or otherwise unsatisfactory, thus bringing about the costly and troublesome annoyance of returning merchandise and a long wait again for merchandise wanted. But we do insist with all the earnestness at our command, that you come, see our beautiful showing of goods, examine the quality, compare our goods, where you will get our price, make your purchase and become one of our many satisfied customers. In each department of our big store we name specials and the price. We cannot mention all. There will be many here for you we do not mention in this special circular. Note the date—

The sun-shines bright

The corn top's line
And the meadows in the bloom
While the birds make music all the day,
The young folks roll
On the little cabin floor
All merry, all happy and bright,
By'n by hard times
Comes a-knocking at the door,
Then, my old Kentucky home, good night!
Weep no more, my lady,
Of weep no more today!

For the old Kentucky home,
For the old Kentucky home far away.
